We would appreciate

- if you could send on a photograph or JPEG of each boat from your club which will be participating in All in a Row.
- if you can give us as much details for the purpose of completing the safety plan and getting the approval of the various authorities.

We will append and summarise the information you provide in our event plan.

If your club can offer a motorised boat to act as a rescue boat or working boat on the day please also complete details. In addition to rescue ribs we we will need working boats to carry photographers and or the press.
